## Comments Report

## 7. COURSE EVALUATION (PART V)

7.3) Please comment on what you feel are the positive and negative aspects of your instructor and his/her teaching outlook:

None excellent teacher, very smart

x

+ : very knowledgeable of the subject

- : some parts confusing due to higher knowledge.

N/A

He overcomplicated subject matter and left us feeling unprepared for any and every assignment. I feel other professors and the internet generally taught me more for this class.

Use a different homework website. Wiley Plus was very difficult.

He was very willing to help and understood the subject, but sometimes explained it in a far too advanced way.

7.4) Comment on what you feel are the positive and negative aspects of this course:

The teacher Blake Farman

x

+ : challenges students

- : does not translate to real world

NA

Course was fine.

The material moved really fast, but Mr. Farman was very educated on the content

Hard material at times
