Comments Report

7. COURSE EVALUATION (PART V)

7.3) Please comment on what you feel are the positive and negative aspects of your instructor and his/her teaching outlook:

Negative because did not teach but just did
week on the board. Went too fast yet did
not explain and answers to questions were too
complex and too detailed. This course should be
taught by a teacher

He is a very good teacher and knows what he is teaching. A negative
aspect of him knowing what he is teaching, is that sometimes he
goes too far and breaks it down so much that I get lost.

7.4) Comment on what you feel are the positive and negative aspects of this course:

It prepared me for calculus
